Drawing Lessons for kids

at Sylvan Park
Paideia Design Center

Did you know? Students with more than 4 years of art, out-perform non-art students by 105 points on SATs! - americansforthearts.org

Our learners are at the crucial time of development when they decide whether they're good at something or not.

This decision will affect not only the rest of their academic career, but their lifetime learning as well.

The Young Rembrandts program provides the tools needed to succeed at drawing - a teaching tool from which the majority of learners prefer and ALL learners benefit! Our program works because it's not only hands-on and visual...**it's simply fun.** We take kids from thinking they're not 'artists' to *knowing* they can achieve this, and everything else, they put their minds to. **Register today!**
